*Dear Parent or Guardian,*

*This letter is to share important information about Alpine Academy Charter High School's performance and our continued efforts to support every student's success. Each year, the Nevada Department of Education reviews all public schools through the Nevada School Performance Framework (NSPF), which uses a five-star rating system to measure academic performance and growth.*

*In accordance with the Every Student Succeeds Act (ESSA), Alpine Academy is committed to holding all students to high academic standards and ensuring that every learner—especially those who need additional support—has the resources to reach their potential.*

### ***School Performance***

*Alpine Academy Charter High School received an index score of 57.2, earning a 3-Star Rating based on data from the previous school year.*

### ***Title I Funding and Support***

*Alpine Academy uses Title I funds to strengthen learning and provide equitable opportunities for all students. These funds help us:*

- *Provide additional academic support through intervention programs and tutoring.*
- *Offer professional development for teachers focused on high-impact instruction.*
